June 2019

Presidents Clippings

Our Junior Men's Triples side of Alex Marshall (Skip), Peter Kaitoa and Tony Little came up just short in the final of the Auckland 1-5 year Triples losing by the odd shot on the final end. Great effort guys...nearly. That apart we only had a few last 8 appearances in champ of champs Women's Pairs, Men's Pairs, Men's Fours and Men's Open Triples to crow about. It was still encouraging to see the improvement in our newer players which augers well for the future. Len continues to anchor our Wednesday and Friday rollups. Numbers have been encouraging over the season. An invitation is extended to all these players to come to our Saturday afternoon George Alley aggregate running through the Winter. The Executive's decision to close "B" green has proved to be a good one. While Akarana green was well used over the season, careful management of its use meant that it lasted the season. For the most part Michael had it running well. With the resultant smaller green keepers wage bill coupled with good utilisation of our clubhouse and bar facilities a very good wachieved. For the first time in

financial result was achieved. For the first time in recent memory the club did not run at a loss. Not an earth shattering result, but significant. Membership showed a slight increase, particularly in social numbers. While we still have not converted enough of our social/casual participants to full playing bowlers we have had continued success in getting people on the green and trying our game. I would like to thank Executive for their efforts over the last 12 months. While I am loath to single people out, special thanks are extended to Kelvin for his work as Secretary and especially for his commitment to the Multi sport project. Likewise Alex who so readily put his hand up when the Treasurer's job was vacant. For him this is on top of a more senior role at a new school, busy boy. The Multi sport project has really just been going around in circles over the last 12 months. To the teams who have helped in the Bar, House, Greens and Grounds, Gardens, Maintenance, Tournaments, Match Committee, Coaching and Kitchen a big THANK YOU! It is appreciated.

Update On LEP project

As Tere mentioned in the presidents report the Lloyd Elsmore Project has pretty much stalled now. The project was peer reviewed and the main points were that the project does not have many synergies and is really a co-location project. The peer reviewers were also fairly cynical about giving funds to a small bowling club and suggested that we needed to amalgamate with a local club. The AGM agreed to continue participating in this project in the near future but we reserve the right to pursue our own interests. Thanks to Kelvin for providing the bowls club response to the peer

Mens Fours

. The winners this year were Michael Hadrup, Mladen Sokol, Robert Clarke and Billy Day (deceased). A particularly poignant win this year for Mike who dedicated the win to his lead, Billy Day. This is the seventh time that Mike, Mladen, and Billy have won this competition and they have really made it their own. A close competition with Tere and Murray's team running the winners close but not close enough.
